**The Mission** of Audubon of Kansas (AOK) is to promote appreciation and stewardship of ecosystems in Kansas and the heartland, with emphasis on conservation of birds, wildlife, prairies and other habitats.

*Prairie Wings* is a publication of Audubon of Kansas, Inc. Additional newsletters and AOK E-News are published periodically. See our websites at [www.audubonofkansas.org](http://www.audubonofkansas.org) and [www.niobrarasanctuary.org](http://www.niobrarasanctuary.org)

Please consider becoming a member, giving a gift membership, and/or contributing to the vital work of Audubon of Kansas. AOK is an independent grassroots organization that is not administered or funded by the National Audubon Society. All funding is dedicated to our work in the central Great Plains and Prairie states.
